# Kobi's Wine Picks!

## CHAMPAGNE O'CLOCK

### **Pinot Noir/Chardonnay, Vincent Couche 'Eclipsa Rosé' Brut, Champagne NV .. 110**

Vincent grows grapes on a steep hill with a forest at the top and bottom of the vineyard. He plants fruit and nut trees every 32 rows to make a "tree wall" that connects the top and bottom, making a place where insects and animals can live year round. It also creates a healthy environment for the vines, resulting in a delicious, rich, and fruit forward rosé champagne.

## THESE ARE A FEW OF MY FAVORITE THINGS

### **Nebbiolo/Dolcetto/Barbera/Grignolino, Idlewild 'Flaura & Fauna Rosé' Mendocino, California 2021 .. 60**

A highly complex, uber drinkable, eclectic and electric rosé with grapes native to one of my favorite wine regions in the world (Piedmont, Italy) that's made in Northern California...it has some weight, but lots of freshness...fruit and spice...great on its own...even better with food...could it get more perfect?

## ENTER: GREEK ROSÉ

### **Xinomavro, Thymiopoulos 'Rosé de Xinomavro' Naoussa, Greece 2018 .. 60**

I had the pleasure of meeting Apostolos Thymiopoulos and taste his wines and I was blown away. He is incredibly down to earth, hilarious, and an inspiring biodynamic farmer (they grow chamomile in the vineyard as chamomile sprays help after hail storms). He specializes in Xinomavro, which is kind of like the Nebbiolo of Greece. His rosé is an amazing food wine - delicate, subtle in its flavors, with both fruit and savory qualities. If you want to try a rosé like no other and are up for an adventure, this is the one!

**Psst...ask us  
about our  
Monday Wine  
Night!**

# CHAMPAGNE!

## (and other bubbles)

**"Too much of anything is bad, but too much Champagne is just right."  
- Mark Twain**
