KOBI'S WINE PICKS

CHAMPAGNE O'CLOCK

**Pinot Meunier/Chardonnay, Dehours et Fils 'Oeil de Perdrix' Extra Brut Rosé,
Champagne NV .. 125**

This is an underrated Champagne that you don't see around too often. It's quite floral and aromatic, almost in between a White and Rosé. That's because it's made by allowing the dark skins of the Pinot Meunier grape to bleed color into the wine. Nowadays, any resulting color is filtered out of the finished product, yet this practice was commonplace 100 years ago. The process results in an amberish-pink colored wine reminiscent of a partridge's eye, or 'Oeil de Perdrix'

THESE ARE A FEW OF MY FAVORITE THINGS

**Nebbiolo/Dolcetto/Barbera/Grignolino, Idlewild 'Flaura & Fauna Rosé'
Mendocino, California 2021 .. 60**

A highly complex, über drinkable, eclectic and electric Rosé with grapes native to one of my favorite wine regions in the world (Piedmont, Italy) that's made in Northern California! It has some weight, but lots of freshness, fruit and spice. It's great on its own and even better with food... could it get more perfect?

ENTER: GREEK ROSÉ

Xinomavro, Thymiopoulos 'Rosé de Xinomavro' Naoussa, Greece 2018 .. 60

I had the pleasure of meeting Apostolos Thymiopoulos and tasting his wines and I was blown away. He is incredibly down to earth, hilarious, and an inspiring biodynamic farmer (they grow chamomile in the vineyard as chamomile sprays help after hail storms). He specializes in Xinomavro, which is kind of like the Nebbiolo of Greece. His Rosé is an amazing food wine - delicate, subtle in its flavors, with both fruity and savory qualities. If you want to try a Rosé like no other and are up for an adventure, this is the one!
