SOMMELIER SELECTIONS

BUBBLES!

Sottoilnoce 'Valtiberia' Petillant-Naturel Emilia-Romagna, Italy 2020 .. 76

Founded in 2017, Podere Sottoilnoce lies on the outskirts of the medieval village of Castelvetro di Modena. The name ('under the walnut tree' in English) refers to the imposing tree that stands between the oldest vines on the estate (some are up to 60 years old). It is a strange twist of nature, as they say that 'nothing grows under the walnut tree'. The 6 hectares of vineyards are immersed in a very varied landscape, rich in animal biodiversity, spontaneous vegetation, shrubs and woods. Winemakers Max Brondolo and Gianluca Bergianti produce simple and delicious wines from only native grape varieties. This is a skin-contact, natural sparkling wine with soft yeasty bubbles and notes of citrus & stone fruit.

BIG WINTER WHITE

Mas de Daumas Gassac Blanc, St Guilhem-le-Désert, Languedoc, France 2017 (375ml) .. 75

Situated in the beautiful Gassac valley, Mas de Daumas is often referred to as the Grand Cru of the Languedoc. The cool mountain air and the powdery red glacial soils make it a very unique little region in southwest France. When Aime Guibert purchased the vineyards in the 1974 she discovered many many different varietals there and she planted many many more - they now total more than 40. Because of the diversity of varietals, the domaine labels their wines outside of the appellation. But they are well-loved cult classics way beyond "table wine." This is an aromatic, rich white wine that pairs beautifully with winter vegetables.

LIGHT & LIVELY RED

Jean Foillard 'Côte du Puy' Morgon, Beaujolais, France 2020 .. 112

Cru Beaujolais is loved by wine-geeks everywhere, but Foillard is one of the sommelier-darlings. It's because Jean Foillard is one of the original 'Gang of Four' - a group of vignerons who got together in the 80s to support a movement towards natural winemaking. (At that time there was a huge push towards mass-production and commercialization in Beaujolais, and the "Beaujolais-Nouveau" marketing campaign.)

Foillard works with old vines, no herbicides or pesticides, minimal sulphur, and indigenous yeasts. Most of all, his wines are DELICIOUS! This cuvée comes from his most well-regarded parcel - this is Gamay in finest form.
