## SOMMELIER SELECTIONS

### CHAMPAGNE!

#### **Chardonnay Robert Moncuit 'Les Grandes Blancs' Grand Cru Blanc de Blancs Extra Brut, Champagne NV .. 150**

Whether you're celebrating a special occasion or just enjoying a night out, dry, toasty and mineral driven bubbles make a perfect beginning for the evening. In Champagne, the Moncuit family has a long history of farming some of the best vineyards in the Côte des Blancs. They first purchased land back in 1889 and finally began estate-bottling almost 40 years later. The grapes for this cuvée come from select parcels in the family's Le Mesnil-sur-Oger Grand Cru vineyards. Current winemaker and fourth-generation Pierre Amillet's passion for Chardonnay and the region's signature chalky soils knows no limits - pure elegance!

### WHITE!

#### **Chardonnay, Hope Well Estate, Eola-Amity Hills Oregon, 2018 .. 175**

Mimi Casteel is the brains and the heart behind Hope Well. She's a winemaker, mother, and revolutionary farmer. Growing up in the vineyards (her parents owned Bethel Heights) she developed a deep understanding for the Willamette Valley. And her work at Hope Well is a true act of love for this place. She turned an old Christmas tree farm into a living eco-system by practicing regenerative farming, a way of caring for the land that harkens back to a time before industrial agriculture (no-chemical, no-till, no-irrigation, and encouraging biodiversity within the farm). Mimi even makes space for natural habitat. And through these practices, she's producing incredible wine. This Chardonnay explodes with all kinds of apple fruit, intense minerality and lively acidity.

### RED!

#### **Sangiovese, Pian dell'Orino Rosso di Montalcino, Italy 2018 ..140**

The Pian dell'Orino 6-hectare estate is almost more like a garden than a vineyard. With roses planted at the end rows, and wild cover crops - this place is bursting with life. It's run by the coolest couple, Caroline Pobitzer (from Alto Adige) and Jan Hendrick Erbach (from Germany). Their dream was to make wine in Tuscany, and they bought land right next to the most famous Brunello producer, Biondi Santi. Caroline & Jan are completely dedicated to biodynamics and continue to do extensive soil and agricultural research to improve the health of their little ecosystem. In addition to their meticulous farming, their wines are spectacular - elegant and age-worthy.
